

AMENDMENTS TO THE CLAIMS

The listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

1. (Currently Amended) An antiaging cosmetic composition for the skin, characterized in that it comprises at least one rhamnose compound RROPs which are polysaccharides composed of 50% rhamnose, one fucose compound FROPs which are polysaccharide made of polymers of a trisaccharide comprising galactose, acetyl-galacturonic acid and fucose, and a cosmetically acceptable excipient.
2. (Original) The cosmetic composition as claimed in claim 1, characterized in that it comprises, relative to the total weight of the polysaccharide mixture, 1/10 of rhamnose compound RROPs and 9/10 of fucose compound FROPs.
3. (Original) The cosmetic composition as claimed in claim 1, characterized in that it comprises, relative to the total weight of the polysaccharide mixture, 1/5 of rhamnose compound RROPs and 4/5 of fucose compound FROPs.
4. (Original) The cosmetic composition as claimed in claim 1, characterized in that it comprises, relative to the total weight of the polysaccharide mixture, 1/3 of rhamnose compound RROPs and 2/3 of fucose compound FROPs.
5. (Original) The cosmetic composition as claimed in claim 1, characterized in that it comprises, relative to the total weight of the polysaccharide mixture, 1/2 of rhamnose compound RROPs and 1/2 of fucose compound FROPs.
6. (Currently Amended) The cosmetic composition as claimed in claim 1, characterized in that it is suitable for topical application, ~~especially in that it is in the form of a cream.~~

7. (Previously Presented) The cosmetic composition as claimed in claim 1, characterized in that the oligosaccharide mixture is used in a proportion of between about 0.1% and 10% by weight relative to the total weight of the composition.
8. (Cancelled)
9. (Previously Presented) A cosmetic treatment method for the skin, characterized in that a cosmetic composition comprising at least one polysaccharide mixture as defined in claim 1 is applied to the skin.
10. (New) The cosmetic composition as claimed in claim 6, in the form of a cream.
11. (New) A cosmetic treatment method according to claim 9, said method for antiaging action on the skin.
